New at WasteExpo— EREF Summit!

Get in on the launch of the EREF Summit—a new one-day Summit produced by WasteExpo and the Environmental Research & Education Foundation (EREF) laser-focused on landfill leachate management!

Attendees (your customers) from all facets of the industry—landfill owners and operators, equipment providers, municipalities and government agencies will be flocking to this new event. Hear from experts and talk through the challenges and operating costs associated with landfill leachate.

Here's your chance to reach them in a BIG way—Become an EREF Summit Sponsor!
