

We see things a bit differently.

WasteExpo Food Recovery Forum Sponsorship

"I was impressed with the turnout and the engagement of attendees at the WasteExpo Food Recovery Forum. It importantly emphasized reduction in food waste through the use of software and educational tools in restaurants, as well as a variety of community outreach programs providing food for those in need."

— BethAnn Taylor, *Taylor Environmental*

Attract New Business in 2017!

Back by popular demand... WasteExpo's Food Recovery Forum! With new food waste mandates, regulatory and policy initiatives and increased consumer awareness, now is the time to capitalize on the growing food waste recovery sector.

Expanded Reach: You're guaranteed to reach the waste generators, haulers and buyers who need solutions to their food waste issues. The Food Recovery Forum is promoted heavily to key audiences beyond Waste360's waste, recycling and organics database—including leading food, supermarket and restaurant groups and associations.

Your participation in the Food Recovery Forum will offer products and services these companies need to meet the new requirements. There's no better way to take your WasteExpo experience to the next level. Get full 360° exposure — pre-show, at-show, post-show and online with a Food Recovery Forum sponsorship!
