

Get ready for SupplySide East 2022!

Let the countdown begin... [SupplySide East](#) is just one week away! Here's what you need to know to plan your time at the show.

200+ Exhibitors

Get ready to meet with new and existing suppliers and service providers featuring 4,500 ingredients and solutions for your next product innovation. Start planning your time now by seeing which exhibitor's booths you'd like to check out first!

See Who's Exhibiting

2,000+ Attendees

It's networking time! Interested in who will be in attendance at this year's event? SupplySide East 2022 is hosting some of the most innovative companies in the industry! See the list to scope out who will also be walking the show floor!

See Who's Attending

6 Education Sessions

Don't miss out on the six education sessions happening at a SupplySide Education Theater (Booth #643) on the show floor! These sessions are included with your Expo Hall Pass and will cover key industry topics like immune health, contract manufacturing partnerships, and dietary supplement delivery forms. Just to name a few. *Open to all attendees.*

Education

2 Networking Events

We are hosting two fun networking events in the Expo Hall for you to meet with new partners and catch up with old colleagues. Check out the [SupplySide Happy Hour](#) on April 12 and the [Pies & Pinis Reception](#) on April 13. *Open to all attendees.*

5 BLS ingredients to boost your competitive advantage

BLS is your Total Solution Provider. We're re-imagining the possibilities for dietary supplements, functional foods, beverages, cosmetics, and personal care products. Our patented, extensively researched branded ingredients will propel your products beyond the competition.

- Bioenergy Ribose produces noticeable, sustained cellular energy by increasing ATP.
- RiaGev uniquely increases NAD, ATP and glutathione production simultaneously.
- RiaGev-FEM (women's menopausal stages and symptoms) and RiaGev-M (men's and sports nutrition) swiftly lower cortisol levels naturally.
- NEW! Our low-dose AMPK activator.
